

STEEL VIGNARD POLES **VITIPAL L105**

The new **VITIPAL L105** vignard steel poles, produced by CMC Pali, improve and optimize mechanized harvesting.

The new type of internal hook and the particular strengthened profile eliminate all the drawbacks in the presence of grape harvesters.

The 30 x 45 x 30 mm section makes them adaptable to any type of terrain.

100 % MADE IN ITALY

CODE	DESCRIPTION	THICKNESS MM	KG / MT
LZC 1	Hot Deep Galvanized	1,65	1,30 (teoric)
