

## VIGNARD STEEL POLES **AGRIPAL 35 X 42**

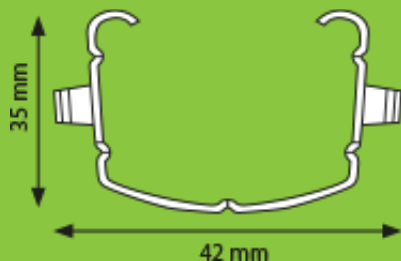

**HOT DEEP GALVANIZED POLES** - Our **AGRIPAL 35 x 42** stainless steel vignard posts, hot-deep galvanized according to the UNI EN ISO 1461 standard, are "ecological", obtained through a galvanic procedure free of lead, allows us to anticipate the future regulations on environmental protection; a local coating of 70 microns ensures a long life of our poles.

**INOX POLES** - They guarantee an unlimited duration over time. Available in all AISI 300 - 400 series.

**PRE-GALVANIZED** - They are characterized by a good durability over time and by their low cost compared to the other profiles.

**COR-TEN POLES** - Made of steels with improved resistance to atmospheric corrosion: excellent quality-price ratio.

Section 35 x 42 x 35 mm

100 % MADE IN ITALY

CODE	DESCRIPTION	THICKNESS MM	KG / MT
AZ 1	Hot Deep Galvanized	1,65	1,40 (teoric)
AZ 2	Hot Deep Galvanized	1,50	1,30 (teoric)
